

Sport Funding Report for 2021-2022

Due to the success and impact of the 2012 Olympic and Paralympic games the Government announced new funding of £150 million for physical education (PE) and sport in April 2013.

The funding should be used to improve the quality and breadth of PE and sport provision.

It should also be used to encourage and inspire children to enjoy and participate in a healthy and active lifestyle. By generating and sustaining a lasting legacy from the 2012 Olympic and Paralympic games we can also create opportunities and give direction for the future sporting stars.

At Burlington we have developed a plan in order to continue to improve PE provision and raise achievement for all pupils in sport.

Here at Burlington we have always been committed to providing children with excellent sporting provision. With the added funding, we aim to build on this further, ensuring that each child experiences the benefits.

How much do we get?

Each school receives **£16000**, plus £10 per pupil on role in January 2021. This is allocated in two payments in September 2021 and April 2022

SP21 (September 2021 - March 2022)	£9613

Dance	-
Outdoor Education	£3425.33
Onside Sports @ £120 per week	£4560
Balance remaining to September 2022	£82

More detailed record of spending can be provided upon request.

What have we done in 2021-22?

- PE Sports Funding has been utilised for specialist coaches and a liaison package with Dowdales Secondary to enhance our sports provision.
- Onside sports coaching club lead a 'Maths of the Day' programme in school and provided excellent instruction to our children in Nursery, Reception/Y1. They also provided extra opportunities for Years 2-6 and support the school in ensuring we have someone in the pool to physically support children.
- The children receive practical coaching to develop skills in: football, cricket, tennis, dodgeball, athletics, baseball, multi skills, rugby, floorball and handball.
- Netball club offered for Years 5 and 6. Children are competing in a local netball league and have experienced training from leadership linked with Dowdales.
- 90% (9/10) of Year 6 cohort 2021-2022 could all swim competently, confidently and proficiently over a distance of at least 25 metres.
- Leadership opportunities. Years 10 and 11 children from Dowdales Secondary School come into school throughout the year and teach strands from the P.E curriculum across the school.
- Termly PE leader update meetings with the SSCO and other primary PE specialists from the area.

Incentive	Expected outcome	Impact
Competition programme (including netball, football, hockey, indoor & outdoor athletics, swimming, Kwik cricket, gymnastics, Agility, balance and coordination, cross country)	More of our children participating throughout the school in competitive events coordinated by Dowdales. Increased range of competitions on offer.	Increased understanding of winning and losing. Knowledge of the role of fair play and sportsmanship. Opportunities to develop skills in new sports.

(Y2-Y6)</p>	<p>Children who attend school swimming lessons to take part in a swimming gala held by Burlington</p> <p>Children gain experience in competing against others.</p> <p>Children gain an experience of a competitive water based sport.</p>	<p>Increased understanding of winning and losing. Knowledge of the role of fair play and sportsmanship. Purchase competitors medals.</p> <p>Opportunity to learn new skills and contribute to developing their own skills further.</p> <p>All children to be able to swim at least 25m by the time they leave school.</p>

		(2021-2022: 90% (9/10) of Pupils in our Y6 cohort can: swim competently, confidently and proficiently over a distance of at least 25 metres; 90% of pupils can use a range of strokes effectively and perform safe self-rescue in different water-based situations)
Specialist coaches - Cricket, Dance, Yoga	<p>Specialist training delivered for pupils and staff</p> <p>Providing PE opportunities through these areas for children who may not enjoy other strands of the PE curriculum.</p> <p>Children gain experience in competing against other schools.</p> <p>High quality staff training and the legacy of orienteering continuity of the work with our SSCO at Dowdales.</p>	<p>Increased understanding of winning and losing. Knowledge of the role of fair play and sportsmanship.</p> <p>Opportunity to learn new skills and contribute to developing their own skills further.</p>
Leadership opportunities (SSCO link with Dowdales) Years 10 and 11 children from Dowdales Secondary School come into school throughout the year and teach strands from the P.E curriculum across the school.	<p>Positive role model and leadership link with older children.</p> <p>Children gain a better understanding and experience on P.E strand focus due to the amount of 1:1 support with leaders.</p>	<p>Motivation and inspiration to participate.</p> <p>Opportunity to learn new skills and contribute to developing their own skills further.</p> <p>Children are provided with role models to aspire to be like.</p>

<p>Purchase of trophies to ensure there is a lasting sporting legacy within school.</p>	<p>Children to understand the competitive nature of sport and the taking part element. Children to take home the trophy and to share with family and friends so that the pride is shared across the team.</p>	<p>Children embrace winning and losing. They uphold the values of competitive team sports. The children discuss and share memories about previous sporting events.</p>
<p>Termly PE leader updates with SSCO and other primary PE specialists from the local area.</p>	<p>Subject leader to attend termly PE updates. (Dates for diary of upcoming events and competitions.)</p>	<p>Burlington can share good practice in PE with other local schools, as well as further boosting our contacts network. School is kept abreast of events and able to ask questions and put the views of Burlington forward.</p>
<p>Forest School experience</p>	<p>Ensure training in first aid is up to date and includes paediatric first aid. Weekly sessions with the children in Nursery, Reception and Year 1 weather dependent - if weather is too unpredictable and deemed unsafe to go to the woods alternative opportunities will be sought in local area or on the school groups.</p>	<p>Children happy to take safe risks. NR1 children are independent and responsible for their own well-being and safety. Children foster and develop a love of the outdoors. The children enjoy being outside and therefore, despite bad weather; they are suitably clothed and have fun. Parents are invited to join the sessions, which in turn ensures parents know the capabilities of their child in the outdoors.</p>

What are our priorities for 2022-23?

- Develop staff expertise in teaching all areas of PE through guidance from experienced Sport Coaches.
- Develop facilities at Burlington to provide high quality experiences for all children.
- Continue to provide quality coaches for teaching some PE lessons across the school.
- Increase participation in sport through the provision of additional after school and lunchtime active clubs.
- Increase participation in school to school, local, district and county-wide competitions and tournaments through membership of the local sports partnership.
- Purchase additional PE resources to enable a wider and 'new' range of sports to be played.
- Develop school grounds to provide areas to ensure keeping fit and healthy is a priority.
- New sports are planned for this year to be led by qualified coaches - Cricket and Tri-golf. This will broaden the children's experience and develop staff skills.
- Continue to ensure that our Forest School experiences is offered weekly to Class 1 and termly throughout the school.
